MACS Drawing and Painting Group at all skill levels

This group meets to draw, paint, and share ideas, and also has an experienced Tutor to call on.

Some regulars are left-overs from the series of Short Courses in 2017 and 2018 in Drawing, Watercolour, Water Media, Pastel, Acrylic, and Oil.

Drawing is extended to: Water Media - with ink, guache, watercolour; Dry Media - with pastel, charcoal, pencils; and Mixed Media - well, anything goes.

Beginners and Visitors are welcome
