*From the Vice-President,*

*MACS 37th Easter Exhibition continues to be a great draw card and a premier event for our members to display the extent of their talent. This year it has also received record sponsorship, so thank you to the businesses and people of Narooma for your support. And thank you to the volunteers who make this Easter Exhibition possible. Please come along to the exhibition and bring your family and friends.*

*Thanks also to the Staff, Volunteers, and "Friends of VIC" who run the Visitor Information Centre as part of the partnership between Eurobodalla Shire Council and MACS. This year the Centre enjoyed record income from souvenirs and MACS Members' art and craft, all of which goes first to run the Centre, then to the Community and to help fund MACS equipment and activities.*

*I hope you are enjoying the newly landscaped entrance to the Glasshouse Rocks MACS Studios. Workshops in April are Encaustic Painting with wax, and Making and Painting Kites; then in May we start the popular WaterMedia six-week Course.*

*The Kiln has arrived in time for a series of workshops, and the two new sewing machines and an overlocker are being put to good use ready for a "Machine Sewing for Beginners" workshop.*

*This year is shaping up to be an exciting one as new premises, programs and equipment come together through enthusiastic members to showcase all the opportunities MACS provides for its members. MACS four local Galleries and two Online Galleries exhibit members' art and craft. Add this to the exciting news of the gallery addition to Moruya library and Basil Sellers' deep commitment to the art and craft community in the Eurobodalla Region and we have a very healthy future.*

*Colin and Irene Berry are currently touring India and we wish them a wonderful and safe journey.*

*Kris Macauley  
Vice-President*
